

La Mère Poule (Mother Hen) baby food, \$5.49 to \$7.99

Parents in search of excellent baby food, look no further! This frozen fare offers fresh flavours and a fine assortment of meal options. Best of all, the ingredients in the latest line are organic. Use the fruit, meat or vegetable purées to complement your homemade food, or select the baby or toddler's full dinners, like "boeuf parmentier," "dinde parisienne," and "blanquette de veau."

Available in the frozen-food section at pharmacies like Jean Coutu and Pharmaprix, as well as most major supermarkets. For the store nearest you, consult the website www.lamerepoule.com.
